Certificate of Completion

Awarded to:

Sushama Ellendula

This certificate is awarded for the successful completion of the AI Product Management course hosted by Next Gen Product Manager. The individual named above has demonstrated comprehensive knowledge of AI product strategy, machine learning, computer vision, natural language processing, and agentic AI. Through the completion of seven hands-on, real-world projects, they have shown the ability to design, evaluate, and deliver AI-powered products that address meaningful business needs.
