AI
PROMPT
ENGINEER

CERTIFICATE

OF ACHIEVEMENT

THIS CERTIFICATE IS PROUDLY PRESENTED TO

Henrik Bentzen

for successfully achieved the distinguished title of
AI Prompt Engineer
after participating in an intensive training program in September 2024. The program comprehensively covered the foundations of artificial intelligence and machine learning, advanced prompt crafting techniques, and ethical considerations in AI usage. This achievement signifies not only a deep understanding of AI technologies but also the ability to effectively guide AI systems through sophisticated communication strategies.
