Hack. Innovate. Secure

CERTIFICATE OF PARTICIPATION
CTF & BATTLEGROUND CHALLENGER

This Certificate Is Proudly Presented To

Tamo Kuisseu Ricky Farel

03 MAY, 2025

For demonstrating exceptional skills and dedication by participating in the 48-hour intensive Capture The Flag (CTF) and Battleground Challenge during 237HackFest 2025, held on May 2–3, 2025, at JFN Hightech University Institute, Douala. Throughout the event, participant engaged with critical topics including Cloud Security, Secure Software Development, Blockchain Security, Content Creation Security, AI Security & Ethics, Technology Policies & Laws in Cameroon, and Personal Data Protection Laws. Having immersed yourself in these areas, you are now recognized as a KAMLEWA Cybersecurity Ambassador. As you return to your communities, we encourage you to share the knowledge and best practices you've gained mentor peers, promote secure-by-design thinking, and contribute to building a safer digital future for all while inspiring growth.
