Certificate of Completion

This certificate is presented to

Anastasia Laki

For completing the training course “Quickstart to Research Data Management”

The digital certificate acknowledges the successful completion of the online course "Open Access Publishing: Overcoming the Challenges and Busting the Myths." It confirms that the participant gained knowledge of the Open Access (OA) movement and how to implement it, including strategies for avoiding predatory publishers, how to align with funders’ policies, how to retain copyright and the different types of peer review.

PATTERN.
Empowering Open and Responsible Research and Innovation

Co-funded by the European Union
