CERTIFICATION

ESD Design Engineer 2 (EDEC2)

EOS/ESD Association, Inc.

finds that

CHUNG-TI HSU

demonstrates mastery in semiconductor technology development, encompassing the design and optimization of novel devices, advanced compact modeling, detailed characterization and data analysis, and the development of cutting-edge ESD solutions tailored to complex customer requirements.

And is therefore awarded this qualification with distinction

Lisa Pimpinella
Sr. Executive Director

Date of expiration 01/22/2027

Certificate Number EDEC2-0002

ESD Design Engineer Certification 2
