HEALTH & SAFETY *Outline the learning objectives and briefly describe how this training contributes to an understanding of Health & Safety requirements*	Please leave blank if not applicable
PROFESSIONAL SKILLS *Outline the learning objectives and briefly describe how this training contributes to the management or supervision of contracts, people or resources*	In the "Time Bars in Construction Contracts" webinar, attendees gained practical skills to identify and manage time bar clauses in commercial contracts. They learned how to spot time bars, understand compliance requirements, avoid common pitfalls that lead to disputes, and recognise when exceptions may apply. Participants also explored strategies to negotiate better terms, even under pressure. These skills will help them reduce risk, protect entitlements, and improve contract outcomes.
