Certificate of Completion

This certificate is presented to

Despoina Spyridou

For completing the training course “Quickstart to Open Access”

This digital certificate acknowledges the successful participation and completion in the educational workshop “Quickstart to Open Access Publishing”. It confirms that the participant gained knowledge on the Open Access movement and on how to implement open access practices, including strategies for avoiding predatory publishers, how to align with funders’ policies, how to retain copyright and the different types of peer review.
