Certificate of Completion

This certificate is presented to

Evangelos Adam

For completing the training course “Quickstart to Research Data Management”

The digital certificate acknowledges the successful participation in the educational training series "Quickstart to Research Data Management." It confirms that the participant has acquired essential knowledge and skills aligned with FAIR principles, enhancing data organization, accessibility, and reuse, and promoting Open and Responsible Research and Innovation to support improved research practices and broader scientific impact.

PATTERN.
Empowering Open and Responsible Research and Innovation

Co-funded by the European Union
