To Whom It May Concern,

It is with genuine enthusiasm that I recommend **Miguel Cabangagi Kiasekoka** based on their outstanding achievement in the TeenEagle Global Finals competition.

During the TeenEagle Global Finals, I had the opportunity to observe **Miguel Cabangagi Kiasekoka** during our Global Finals, where they earned a Gold Medal by competing successfully against thousands of exceptionally talented students from across the globe.

TeenEagle is a prestigious international competition that challenges talented students to apply their knowledge, critical thinking, and communication abilities across various subjects, all conducted entirely in English. Participants must demonstrate both collaborative skills and competitive excellence while engaging with complex, authentic content.

Miguel Cabangagi Kiasekoka's exceptional performance reflects three fundamental strengths:

- **Mastery of Complex English:** Competing in English requires navigating intricate texts, synthesizing information from diverse sources, and articulating ideas clearly under pressure. **Miguel Cabangagi Kiasekoka** demonstrated fluency and precision that far exceeded expectations for their age level.

- **Integrated Knowledge Application:** The competition tests students across multiple subject areas and requires them to integrate knowledge on demand—writing persuasively, responding analytically to unexpected questions, and even engaging in structured debate.
Miguel Cabangagi Kiasekoka's Gold Medal is clear evidence of having built both breadth and depth of understanding.

- **Sustained Effort and Resilience:** Advancing to the TeenEagle Global Finals represents not just talent, but sustained effort over months of preparation, discipline in building skills, and the mental resilience to perform under high stakes. **Miguel Cabangagi Kiasekoka** clearly invested serious time and energy to reach this level of achievement.

Earning recognition at a global level, where thousands of competitors bring their own considerable talents to the competition, is a genuine achievement. **Miguel Cabangagi Kiasekoka** is clearly an intellectually curious student with strong work habits and excellent communication abilities. Based on this performance, I am confident they will bring the same focus and initiative to whatever they pursue next. I recommend them without reservation.

I am happy to answer any questions or provide additional details if helpful.
Sincerely,

Director of Partnership
Cassy Gibson
