

CERTIFICATE

OF ACHIEVEMENT

THIS CERTIFICATE IS PROUDLY PRESENTED TO

Eirik Larsen

for successfully achieved the distinguished title of
AI Prompt Engineer

after participating in an intensive training program from the 13th of March to 10th of April 2024. The program comprehensively covered the foundations of artificial intelligence and machine learning, advanced prompt crafting techniques, and ethical considerations in AI usage. This achievement signifies not only a deep understanding of AI technologies but also the ability to effectively guide AI systems through sophisticated communication strategies.
